

January 23, 2019

Lacey Holloman,
Assistant District Attorney
Midland County, Texas
500 N. Loraine Street, Suite 200

Dear Ms. Holloman,

Since you are going to eventually find out about the things we are putting out about all this, here are some copies of some of the stuff for yourself.

You can try to cover up and participate in this corruption all you want. You may even get away with it, initially, but the real truth always eventually comes out. Even if the video we have that clearly shows police corruption is not allowed in court, that does not mean that we are not going to use it in other ways to fully expose this for what it really is. There are copies of it in the hands of other people.

It is no secret that TX DPS is very corrupt. I do not know why you guys think you can hide that. TX DPS has a current lawsuit going on for their culture of corruption. That is not a secret. Many people are very well aware of their corruption and the fact that someone is finally holding them accountable for it.

The video we have is just further proof of their corruption. You can try to cover it up all you want. It will be exposed, and you will be exposed for trying to cover it up.

We are not going to give up until this is fully exposed for what it really is. It is very clear that there is no true concern for solving real crime or protecting anyone in all this. There is plenty of evidence to believe that this is all about money and egos.

Sincerely,

A handwritten signature in black ink that reads "Aracely Yates". The signature is written in a cursive, flowing style.

Aracely Yates

S:	(2:51 PM) Yo	
Girl:	(3:47 PM) hey	
S:	(4:37 PM) I saw ypur craigslist ad. Are you busy today	<i>Ad posted under "casual encounters (no strings attached)" stated that she was looking to do something with someone that night.</i>
Girl:	how old are you?	
S:	22	
Girl:	Oh I am worried i am too young 4 u	
S:	Age doesn't bother me. Unless you were like 60 i guess o_o	<i>He doesn't even get it that "too young" for him would be a minor.</i>
Girl:	def not 60 lol	
S:	Well if you ain't bothered by age then i won't be bothered by yours	
Girl:	im almost 14 but look a lot older	
S:	Wew. I don't think craigslist is where you want to find your dates, but again. I don't mind if you don't mind. What did you want to do tonight	<i>He's shocked that a 14-yr. old would post an ad on craigslist to find dates with adult men. Remember, his friend, Haley Kemp, who was sexually abused by her father was hanging out with older men who got her into drugs, which led to her death (a heroin overdose)</i>
Girl:	Idk, i haven't hung out with older guys much, what would you like to do?	<i>The girl had posted an ad on craigslist (casual encounters) looking to do something with someone that night, clearly looking for a date.</i>
S:	Im a boring fellow in my opinion but if youd like i could take you to a movie and maybe have dinner after-wards if thats cool enough with you. What happens after that is up to us	<i>Wants to hang out with her since the girl obviously is looking to do something on that night with someone she's going to meet on craigslist. Tries to keep her from moving on to someone else because he truly believes she would be better off hanging out with him than anyone else she might meet on there. "What happens after that...." means they could then decide if they wanted to hang out again, etc.</i>
S:	(sends a picture of himself standing in front of bathroom mirror that he had taken on a different day)	<i>The picture simply shows who he is. There's nothing indecent about it.</i>
S:	This is me btw	
S:	Fairly recent	

Girl:	cute	<i>Makes it obvious she is interested in him. Clearly looking for a date.</i>
S:	If you say so (smirking emoji face)	
Girl:	i do	
S:	So, what do you say	<i>Tries to get her to come out for the second time.</i>
Girl:	i just want to make sure you are not a kreeper	<i>Pretends to be cautious. Later makes it clear that she will only come out if there will be sex involved.</i>
S:	Ok. And how do you want me to prove that	
Girl:	i don't know lol.... im just nervous haha	
Girl:	what do you usually do?	<i>Hoping he's manipulative.</i>
S:	Im just a boring guy who enjoys playing games competitively. Im trying to go to school next semester and work on a bilingual degree	<i>This is true. "playing games competitively" is obvious that he is not talking sexually</i>
Girl:	thats cool	
S:	What kind of person are you. And what kind of music do you like	<i>Trying to get to know this person.</i>
Girl:	i like a sorts really, mainy hip-hop tho	
S:	Are you the shy or more outgoing kinda type	<i>Still trying to get to know this person.</i>
Girl:	shy and keep secrets lol	<i>Obviously, the officer's mind is somewhere else, and he starts dropping clues about what this girl is looking for (sex).</i>
S:	Heh, i use to be like that too around that age. Well, i like to keep some seem secrets still	<i>On a completely different level</i>
Girl:	i don't really go out much, u?	<i>Appealing to Sebastian because he can relate.</i>
S:	Nope. I love staying inside watching shows and playing games.	<i>This is true. Remember, he's already said he plays games competitively.</i>
S:	But i can enjoy some decent time outside every now and then. But why bother when I can stay home for free lol	<i>This is very true about him. He very rarely went out then and still doesn't.</i>
Girl:	me too!! not the games part so much tho	<i>Officer talking about something else when he refers to "games".</i>
S:	Would you like to play some games?	<i>Talking about video games, like he's already mentioned.</i>
Girl:	what kind of games lol?	<i>On a completely different level, obviously trying to turn the conversation sexual.</i>

S:	Something relaxing? Since you dont seem very experienced to this sort of thing.	<i>Obviously has a very different mindset. (On a completely different level) This is the way Sebastian typically talks to everybody.</i>
Girl:	sort of thing???	<i>Again, is hoping to turn the conversation sexual (dropping hints).</i>
S:	Not everyone is good at video games, or has the patience to try to be.	<i>Clarification, since she pretends not to understand.</i>
Girl:	lol what kind of games	<i>Disappointed and still wanting to turn the conversation sexual. He's already made it clear that he is talking about video games.</i>
S:	Have you ever played zelda?	<i>Still clueless about the officer wanting to turn the conversation sexual.</i>
Girl:	nope, what else you got?	<i>Keeps trying.</i>
S:	I have a switch and I was thinking about picking up a new game. I also have mario	<i>Still clueless and on a completely different level. He's clearly talking about video games.</i>
Girl:	sweet i can ball on some mario action lol!!	<i>Tries even harder, too desperate. *Brings up sex first: "ball" (vulgar form of to have sexual intercourse)</i>
S:	Swag	<i>Believes that she wants to play the Mario video game.</i>
S:	So did you want to hang out today?	<i>Third attempt to get her to come meet him to keep her from moving on to someone else. Expects for her to come out and play video games with him.</i>
Girl:	maybe.... it depends	<i>Obviously not good enough for her.</i>
S:	I think we should keep texting each other and to get to know one another till you feel comfortable around me	<i>Really believes that she is just being cautious because she doesn't know him. Has not caught on yet that she is strictly looking for sex.</i>
Girl:	im down with that if you are	<i>Of course, interested in more talk because is only interested in sex. Playing video games is not what this person is looking for.</i>
S:	Im as comfortable as you want to get.	<i>He'll let her get to know him as much as she wants. Again, this is the way Sebastian normally talks.</i>
S:	But i don't want to rush you	<i>Obviously not pushing for anything. He wants her to get to know him and make her comfortable. So, she can come hang out. This is not the</i>

		<i>same as what a predator would do. He is clearly not pushing her to do anything she doesn't want. He's just confused about why she would post a craigslist ad looking to hang out, if that is not what she was looking for.</i>
Girl:	lol your funny	
S:	o3o	<i>Being playful. Typical of him.</i>
Girl:	huh?	
S:	Its a face	
S:	Cuz you said i was funny	
S:	So i made a funny face	<i>Very typical of him.</i>
Girl:	o i c	<i>Doesn't get it.</i>
S:	Heh... What school do you go to	<i>Continues social conversation to keep her engaged. She was obviously looking for a connection with someone, at the very least. It becomes clear later that she is mostly interested in sex.</i>
Girl:	homeschool....i got in trouble a while back and my mom wanted me to stay home	<i>Obviously, wants to make it clear that this is a troubled girl. This would only want to make Sebastian help her more. That is who he truly is.</i>
S:	Oh... Do you like being home schooled?	<i>Trying to get to know her.</i>
Girl:	not really....i get bored	
S:	Dont go out much yet you get bored with homeschooling lol	<i>Being playful and teasing. Suggesting maybe she should go out more if she's bored staying home. Sebastian is someone who prefers staying home. If he preferred to go out more, then he would. He doesn't understand why someone who is bored at home would not go out more. He is clearly not thinking of their age difference.</i>
Girl:	i miss my old friends	<i>Wants to appear as being lonely to appeal more to Sebastian and appear like an easy target for a predator. Except this officer is clearly not very knowledgeable about real predators.</i>
S:	Yeah...i was about to say. You just need someone to talk too	<i>This is sincere. I can understand how someone like Cody Allen would</i>

		<i>not understand this, especially if he's not very knowledgeable about real predators.</i>
Girl:	i like talking to you so far silly	<i>She obviously wants to woo him and keep him engaged.</i>
S:	Oh you flatter me (upside down smiley emoji face)	<i>It works</i>
Girl:	haha	
S:	This is nice though. I miss having someone to text all day	<i>This is also sincere.</i>
Girl:	yeah right i bet you have lots of friends	<i>Starts to play the jealous girl; manipulating</i>
S:	HAAAA	
S:	AAAAAAAAAAAAA	
S:	...ah..	
Girl:	lame haha	
S:	Well i have a few select friends that i keep close to. I am living with room mates and i talk to friends online almost everyday	<i>"select friends" = only a few he chooses to be friends with Roommates are 2 gay guys (a couple) Most of his friends have always been older than him.</i>
S:	Other than that its just family	<i>This is true. He's being sincere.</i>
Girl:	oh cool...you be talking to girls all day too??	<i>Plays the jealous girl; manipulating</i>
S:	Pfffttt	
S:	I wish...	<i>The officer is clearly the only one trying to play mind games here.</i>
Girl:	so am i the only girl you talkin to now?	<i>Manipulating; Plays the jealous girl again, and makes it clear that she wants to be the only girl he is talking to. Clearly looking for a hook up.</i>
S:	Oh, does my mom count?	<i>Being sincere. Mom is a female.</i>
Girl:	not unless you think i am like your mom	<i>Manipulating; Makes it clear she wants to be different.</i>
S:	Then that makes you 2 separate categories	
Girl:	well thats good	<i>Manipulating; Confirms she doesn't want to be seen as just a female like "mom". She wants to be special. That's why she is playing jealous.</i>
S:	Then again i only met you today.... Maybe you could be just like my mom (emoji face with open mouth)	<i>Meaning "you're just a female I have had a conversation with."</i>
Girl:	ummm no	<i>Manipulating; Makes it clear she wants to be more than that.</i>

S:	If you say so	<i>Goes along with it.</i>
Girl:	well i am 13 so i don't want no kids lol	<i>This is totally off topic. Obviously wanting to turn the conversation sexual, but Sebastian doesn't catch on yet.</i>
S:	Thats the spirit. You go girl	<i>Congratulates her for not wanting to have kids. Interprets it as she doesn't want to have kids at 13 or 14, whatever age she is. So, obviously she's having sex or looking to have sex. She's also on an adult site looking to hook up with someone.</i>
Girl:	haha	
S:	im bored again	<i>Manipulating; Social conversation is obviously not good enough for her. She's obviously looking for more than just chatting with someone.</i>
S:	Sounds like you need a buddy to hang out with	<i>Fourth attempt to try to get her to come hang out in a social setting, to keep her from moving on to the next person. He truly believes this girl is looking for some kind of connection. Why else would she post an ad on Craigslist? That's what lonely people do.</i>
Girl:	hang out?	<i>Manipulating</i>
Girl:	what does that mean to?	<i>Manipulating; First clue Sebastian picks up on that she is looking for sexual contact, not just hanging out in a social setting or getting to know someone. Everybody knows what "hang out" means. She pretends not to know. It's too obvious. She's obviously looking for more than just hanging out socially.</i>
S:	Yea...like meet up with. Chill. Cut loose. Spend time together with.	<i>Attempts to explain to her (define) what "hanging out" means since she pretends not to know what he means.</i>
S:	Synonyms	<i>Other synonyms for socializing, "chill", "cut loose", "spend time together"</i>
Girl:	cut loose?	<i>Manipulating; Tries to turn the conversation sexual again. Cut</i>

		<i>loose: social fun, do something fun, etc. Do fun things like young people do.</i>
S:	Wow you do need a friend	<i>Surprised that she would not get this. This is a more obvious clue that she is looking for more.</i>
Girl:	hey thats rough	<i>Acts offended; looking for sympathy; using manipulation</i>
S:	Then let me be your friend	<i>Continues to try to be friends with this girl to get her to come meet him instead of moving on to the next person. She's obviously looking for attention because she's on Craigslist.</i>
Girl:	ummm maybe	<i>He is obviously, still not good enough for her.</i>
S:	I see how it is	<i>He gives up.</i>
Girl:	i do like talking to you tho	<i>She lures him back in; using manipulation again.</i>
S:	Then that means were friends	<i>Still being sweet, trying to help this girl.</i>
Girl:	o i c	
S:	silly billy	<i>Glad to see she's getting it.</i>
Girl:	so if i take to risk with my mom and sneek to meet you what are we going to do	<i>Manipulating again. He's already told her: go out to a movie, have dinner, and even play video games. None of that was good enough for her. Again, very obvious that she is looking for more. She wants him to tell her that he will do exactly what she wants. She wants to hook up. She wants sexual contact.</i>
S:	Well, i dont want to take you back to my place and risk having the questioned asked why am i hanging out with a 14 year old. If youre hungrey i can take you to dinner	<i>Playing video games is out because he doesn't want to bring her over to his place. He wants to hang out at a public place. He doesn't want to answer questions about how he found a 14 yr old to hang out with. Nobody knew he was using Craigslist.</i>
Girl:	who would ask?	<i>Manipulating again. She is very clearly not okay with going out to a public place. She wants to come over. Otherwise, why does it matter if you're not going there?</i>

S:	My room mates	<i>Doesn't want to have to explain her to his roommates. She's a 14 yr old that he came across on Craigslist. He would have to explain that he was using Craigslist to meet someone, and this girl was looking for a date on Craigslist. He chose to hang out with her because she was the only one who seemed real. They both obviously needed some kind of connection with someone, and this girl was putting herself at great risk by advertising herself to adult men in a setting like that.</i>
Girl:	tell them to go somewhere silly.... i def dont want to be around a bunch of dudes i don't know	<i>Manipulating again. She very obviously wants to come over to his home. Sebastian already made it very clear he doesn't want to bring her there. BTW, the roommates are 2 gay dudes (a gay couple who are engaged) They would definitely not be a threat to any female. This is very wrong for Cody Allen to do. Cody Allen keeps pushing for that because the girl he is playing is clearly looking for sexual contact. This is very opposite of what should be done in these sting operations.</i>
S:	Ones passed out on the couch since he doesn't have work today...	
S:	If it wasn't for that then yea i probably could risk it	<i>Again, he makes it clear that it is not going to happen. She obviously wants to go to his home. Going there would be to play video games, like he's told her already. Either she really wants to play video games, or she is clearly looking for a hook up in a private place.</i>
S:	But let me be frank with you for a moment	<i>Being honest.</i>
S:	I don't have a bed in my room	<i>This is true. He's telling her about his room. He did not yet have a bed in his room. He is explaining that his room does not look like a normal bedroom. Since he has roommates, this is where they</i>

		<i>would be hanging out, if she were to go there.</i>
Girl:	whats the bed 4? haha	<i>Manipulating again. Attempts to turn the conversation sexual and is very much showing interest in sex.</i>
S:	...for me to sleep on ofc	<i>Pretty clueless. Probably takes him a while to figure this one out, since he truly is explaining that his room is not like a "normal room" right now.</i>
Girl:	ofc?	<i>Not the typical teenager because she doesn't get it.</i>
S:	Of course*	
Girl:	haha so you want me to sneak out to watch you sleep...kreeper haha	<i>Manipulating again. Pushing harder for sexual conversation; making it obvious that she is looking for more. Confusing him because he's already told her about plenty of things to do, obviously, none good enough for her. She wants more. Again, she makes it clear that she wants to come over.</i>
S:	Damn, you got me	<i>Still pretty clueless. He thinks she just proved he's creeper because he would be "sleeping" on a bed (the normal thing to do) instead of hanging out with her.</i>
Girl:	so you sleep...i watch...who cuddles?	<i>Way out of line, clear manipulation. She makes it clear she wants to cuddle. This is clarification about what she is looking for. This is also total opposite of what should be done or said in these sex sting operations. The officer is clearly leading the conversation.</i>
S:	I cuddle	<i>Still clueless or trying to maintain boundaries.</i>
S:	With my pillow	<i>It probably took him a while to catch on to her intentions.</i>
Girl:	i thought you were sleeping silly	
S:	I do that in my sleep, doesnt everyone	<i>This really shows his innocent thinking.</i>
Girl:	ummm no	<i>Not good enough for her. Makes it obvious that she is different. Using manipulation again.</i>

S:	I guess im just a kreeper then...	<i>Being playful, and again backs away.</i>
Girl:	well i hope not...i like you	<i>Clear manipulation. Lures him right back in. Completely out of line. Pushy—coming on to him. Again, this is more clarification of what she is looking for. The officer is clearly stepping outside of boundaries to get what he wants.</i>
S:	Well, the way i see it we have two options. I can get a hotel room or we can just chill in my car	<i>Finally catches and gives in. He gets it that she wants to cuddle and is looking for a hook up. He will not bring her to his place. So, he offers to get a hotel room, so they can “cuddle” like she wants or hang out in his car. Fifth time to try to get her to come out. She’s obviously just going to find someone else to do this with because she’s made it very clear that, that is what she is looking for.</i>
Girl:	hotel room?	<i>Obviously, very interested in the hotel room option. Not interested in hanging out in the car. Manipulating again.</i>
S:	A room in a hotel, yes.	<i>Clarification. More confirmation for him that she is looking to hook up with someone.</i>
S:	But you couldn’t stay over night could you	<i>Truly is this naïve.</i>
Girl:	yeah i will just say i am going to a friends...my mom is tired of me too haha	<i>Suddenly, she is very interested in meeting him now. Finally! He’s figured it out. She will only come meet him if there is going to be cuddling, hooking up, etc. He finally gets her to agree to meet him instead of moving on and finding someone else.</i>
S:	Thats what i had in mind. Cool so you do it then?	<i>Sixth time he tries to get her to come meet him, to keep her from moving on to someone else (especially now that it is very obvious what she is looking for) This girl is clearly putting herself at huge risk.</i>

Girl:	im nervous....you haven't even told me your name silly	<i>She pushed for all that, and now she's pretending like she's not sure, again. Obviously playing games.</i>
S:	Wow youre right. Please excuse me.	<i>Still being sincere.</i>
S:	My name is Sebastian.	<i>Again, being sincere.</i>
Girl:	thanks babe i feel a little better now sry im just really nervous i hope you understand	<i>Now she pushes again. Calling him babe = way out of line. This officer is really playing with the mind of a very vulnerable and naïve young man. Major manipulation.</i>
S:	babe? Oh my	<i>Really surprised that she is calling him babe. More confirmation of what she is looking for. This girl will obviously end up putting herself in a very bad position.</i>
Girl:	hehe sorry	
S:	So whats your name then	
Girl:	Crystal	
S:	Cute name	
Girl:	aww thanks babe	<i>Continues to manipulate, calling him "babe" again. The officer is clearly the one convincing Sebastian, not the other way around, the way it should be to catch a true predator. Who is the real predator here?</i>
S:	Alirght. If youre 100% about this tell me where i can pick you up so i can plan ahead	<i>Seventh attempt to try to get this girl to come out and meet him, to keep her from moving on. He's finally convinced her.</i>
Girl:	not yet silly hehe u havent even told me what we would do duh hehe	<i>The manipulation continues. This is, obviously, still not good enough for her. It's obvious that hanging out socially is not what she wants. Even cuddling and hanging out in a private place is still not enough for her. She wants to make sure she is going to get what she wants. Otherwise, she is not going and will just move on to the next one. The fact is that she is advertising herself to adult men on Craigslist.</i>
S:	Do you really want to know?	<i>He has to step it up for her.</i>
Girl:	yah silly i dont like surprises hehe	<i>She obviously wants details about the hook up she is looking for. After</i>

		<i>all, she has only finally agreed to meet up with him if that is what she will be getting. Otherwise, she is not interested. She's clearly shown plenty of that already.</i>
S:	We would make out on the bed until one of us loses our control to take off their clothes.	<i>He finally gives in, and tells her exactly what she wants to hear.</i>
Girl:	hehe	<i>Now she's amused (consistent with showing the most interested in "bed" and "hotel") Confirmation of what she is looking for. No objections or questions here.</i>
S:	We would do it. Gentle, but firm and passionate. And after that we would shower together and do it again	<i>This is a fantasy for Sebastian (his explanation)</i>
S:	And then do it again on the bed, and then shower again. Rinse and repeat	<i>Fantasy continues.</i>
S:	Does that sound fun?	<i>Checks to see if this is finally good enough for her.</i>
Girl:	hehe sry ive never doen that before	<i>She's been consistently pushing for this. Now she's pretending to be unsure about it. Manipulating again.</i>
S:	Thats ok	<i>Backs off again.</i>
Girl:	u sure babe?	<i>Again, the officer makes sure he lures him right back in. The girl confirms that she wants to do this, but wants to make sure that he does too.</i>
S:	Ive only actually done it once so id love to get more experienced with someone new too	<i>He's being truthful. This whole conversation reveals his lack of experience with relationships and sex.</i>
Girl:	would you wear protection i dont want to get prego	<i>Continues to manipulate. Again, confirms that she is looking for sex. If the officer had said that "the girl" did not want to do any of this, Sebastian's response would have been completely different. He would have never pushed for this. The officer is the one who kept pushing for it and convinced Sebastian, not the other way around, the way it should be, to catch real predators.</i>
S:	Of course. I know how you said you dont want to have kids	<i>Goes along with whatever she wants. Shows that she's already</i>

		<i>made it clear that she is looking for sex.</i>
Girl:	hehe what do you mean by do it? sry babe im just nervous	<i>Wants to hear more sex talk. She's on Craigslist looking to hook up and pretending not to know what "do it" is. Obviously, wants to hear dirty talk.</i>
S:	Relax. You already mentioned protection so you know what i mean	<i>He doesn't get what she's trying to do. She wants more sex talk. Again, Sebastian confirms that she's already made clear what she wants. He's giving in to what she wants. So that she will come out and meet him instead of moving on to someone else.</i>
Girl:	hehe sry babe	
S:	So. If youre ready and willing. I would love to teach sex with you.	<i>Again, this shows his lack of experience with this.</i>
Girl:	hehe ok when?	<i>More confirmation that this is what she was looking for. She's very willing to come meet him now that he's told her what she wanted.</i>
S:	Is tonight ok with you?	<i>Eighth attempt to try to get her to come meet him, to keep her from moving on.</i>
Girl:	yah hehe	<i>Confirmation, this is what she was looking for all along. This is why she is finally agreeing to meet up with him. She would have only found someone else to do this with. This is clearly a very different person and different situation from anything normal or common anyone would ever experience.</i>
S:	Ok lil missy. Where can i pick you up at	<i>Sebastian has a soft spot for people who are different because he, himself is very different from most other people.</i>
Girl:	what time babe	<i>Again, calling him babe; playing with the mind of a very vulnerable and naïve young man. She was clearly the one who came on to him. If this were real, it would be something that is very rare. A real predator would not have fallen for this because he would know that it</i>

		<i>was not real, or he would be turned off by it because it is not the challenge a real predator would be looking for.</i>
S:	Are you in odessa first of all?	
Girl:	midland where would we go	<i>Still not satisfied. Wants to hear more about sex, hooking up, etc.</i>
S:	oh ok, im in midland too, no worries	<i>It completely goes over his head, or he doesn't answer the question because he's already made it very clear and doesn't know how to make it clearer for her.</i>
S:	North west south or east?	
Girl:	north	
S:	Cool. I can show up at around 8	
Girl:	what time do you want to meet i want to make sure im ready i have to shower first hehe	<i>Mentions shower, more than likely, hoping for sex talk or even to get him to request pictures.</i>
S:	Me too. But we could shower together if you want	<i>Playing along. A real pervert/predator would have asked for pictures.</i>
Girl:	where would we go? i want to shower first before we meet hehe then we can shower together later hehe	<i>Still wants to hear more about it even after he has made his best attempts to make everything, she wants to hear, very clear to her. The officer is more than likely hoping Sebastian asks for nude pictures since the girl is going to "shower". Staying consistent with the manipulation; Desperate attempt to get more of what they are desperate to get.</i>
S:	Lets get a hotel tonight. Before we go there we can go to dinner or a movie, whatever you want	<i>The officer's attempt completely goes over his head. Sebastian repeats to her what he has already told her.</i>
Girl:	y dinner and a movie hehe	<i>Disappointed. She is obviously not interested in having a social meeting of any sort. She wants to get straight to the sex. This very clearly is a very different individual. She very clearly needs help. Major manipulation here.</i>
S:	Geez i want to be a gentleman atleast lol	<i>Surprised that she is pushing that hard for it.</i>

Girl:	hehe im sry i thought you were talking about other stuff i am confused	<i>Wants to take it back to sex talk. Again, shows she is someone who is very different and very clearly needs some kind of help. Desperately continues to use manipulation to try to get more of what they want.</i>
S:	We can talk about it when we meet up	<i>He doesn't get what the officer is trying to make him do. Sebastian is talking about how they will talk about the plan of what to do, where to go, etc., when they meet up.</i>
Girl:	oh	<i>Doesn't know how to respond to get more sex talk, like they want. Manipulation here is clearly not working.</i>
S:	Ok, im gonna get ready so i can pick you up. Send me the address	<i>He's only interested in moving forward and saving this girl from moving on to the next person.</i>
Girl:	ur making me nervous babe u told me one thing and now ur changing your mind	<i>Again, desperate attempt to get more sex talk. Why would she be nervous about going out to dinner or a movie, but not about going to a hotel? She's obviously unhappy that they are not going to focus on sex.</i>
S:	You want sex right?	<i>Confirms his thinking. This girl wants sex. He's already told her what she wants. What else does she want now? Did he misunderstand?</i>
Girl:	do u? hehe u said u want dinner and a movie or to do it im so confused babe	<i>Another failed desperate attempt to take it back to sex talk. The girl wants to make sure that she is going to get what she wants, sex. She is clearly not interested in anything else but that.</i>
S:	Yes, I do but im also offering dinner or a movie before hop right into it. Im just being polite	<i>This is very much the sweet Sebastian everyone knows. No one that knows him would be surprised by this at all. He very clearly does want to talk to her. Sebastian does not have an aggressive or even an assertive personality at all. He's a push over.</i>
Girl:	ok babe sry i was just confused	<i>Gives up to keep him engaged and to make sure he is going to show up to give her what she is looking for.</i>

S:	No problem	<i>Accepts her ridiculous behavior and comments.</i>
S:	Try to relax	<i>Tries to comfort her.</i>
Girl:	ok babe im sry can we meet before 8?	<i>Still calling him babe. Again, confirming that she definitely wants to hook up with him. Continues to use manipulation.</i>
S:	Ill try	
Girl:	i have a question babe	<i>Manipulating; Treating him like he's her boyfriend.</i>
S:	Whats up	
Girl:	how will i know it will be u? sry ive just never done this before	<i>Never met up for sex with a stranger before but clearly looking for it now?</i>
S:	i sent you a pic remember	
S:	Also i have a silver two door car	<i>This is true.</i>
Girl:	hehe sry babe i deleted it	<i>Probably hoping for an inappropriate picture</i>
S:	And if you dont believe the guy you see when we meet just call this number	<i>Trying to make her feel comfortable and secure. This is genuine.</i>
S:	Wh	
S:	Ok hold on	
S:	(sends the same picture again; the one he sent earlier)	
Girl:	aww ur so cute babe	<i>Manipulation continues; More confirmation of what she's looking for (a hook up)</i>
S:	You make me blush	
Girl:	hehe	
S:	Ok im almost ready	
Girl:	ok hehe	
S:	Are you ready?	
Girl:	(7:26 PM) sry babe i was telling my mom bye she just left for work	<i>Obviously, still clueless or uncaring of what kind of person he is dealing with. This is shocking to know of someone working in law enforcement doing this type of work. Sebastian is not catching on to these desperate attempts they are using to try to get him to try "to take advantage of this girl."</i>
S:	So youre ready then?	<i>This, of course, also goes right over his head.</i>

Girl:	let me jump in the shower i promise i wont take long	<i>Probably hoping again that Sebastian would ask for inappropriate pics.</i>
S:	Ok, can i get the address at least?	<i>Never catches on to the officer's intentions.</i>
S:	(7:38 PM) Ill wait o _ o	
Girl:	sry babe i was in the shower	<i>Poor Cody Allen keeps failing at getting more of what he wants out of Sebastian. It's unbelievable that someone doing this type of work could be that clueless about what kind of person they are dealing with.</i>
S:	I know. Im ready to head out	<i>Still consistently showing that he is clueless about what they are trying to make him do.</i>
Girl:	i live by office depot do u know where that is	
S:	is it an apartment complex?	
Girl:	yeah but i dont want ne one in the complex seeing me so i was going to run down to u when u get here	
S:	Ok np	
Girl:	how long babe?	<i>Still calling him babe and treating him like a boyfriend. This is very inappropriate and wrong for an officer to do and then claim to have caught a predator who was supposedly preying on children.</i>
S:	10 mins	
Girl:	yay hehe	
Girl:	(7:57 PM) (Grinning face with smiling eyes emoji face)	<i>Asshole</i>
S:	I parked next to a tree far left from the office depot building	
Girl:	ok babe i see ya (heart)	
Cody Allen:	test	<i>Incompetent officer finally gets what he wants.</i>

Notice, Sebastian never asked for a picture of the girl. It's very clear his goal is to get this girl to come meet him. Of course, since Cody Allen does not know Sebastian, it's understandable that he would misinterpret or misunderstand a lot of things about Sebastian's true intentions. However, there are very clear indications in this conversation that Cody Allen and Sebastian were on completely different levels (different mindsets) for most of the conversation. If Cody Allen is experienced at doing this, he should

know very well that this conversation was very different than a conversation with a true predator who is looking to take advantage of someone. If he did not pick up on that, then he either really didn't care if he was getting a real predator or not, or he is very clueless about catching predators. Therefore, he should not be someone carrying out an assignment like this.

This is very reckless, irresponsible, and even malicious police work. Why are they looking for predators who supposedly prey on minors on adult sites? Then they hide the fact that they caught these men on adult sites (not looking for minors), and they put out in the media that they caught sexual predators who "were preying on minors". They lied and told the public that their children were being protected from these predators who would just keep doing it again, coming after their children. On top of that, the police create more lies to make these pretend predators they catch to look like real predators who prey on children. Please watch Sebastian's video of the pretend lie detector test he was given by the psychopath officer who created an even bigger lie, to make Sebastian look like the child predator they need him to be, just to get what they want. This even bigger lie they created was used to indict him and will be used to prosecute him. We have been lied to and told that this hard-core video evidence we have of this huge lie that was created by police is not allowed in court. We are not even allowed to mention it.

There has been a great deal of dishonesty in all of this from the very beginning. We have a list of these lies that have been told to us by different people who work in this system. We have been extremely shocked and disappointed to find out about these very dishonest things that are going on in our system and how many people in this system have worked hard to keep these huge lies covered up.

1. What does induce mean to you?

Induce is when someone talks you into doing something, they want you to do.

2. How did the officer induce you?

- 1) He posted an ad on Craigslist, an adult only website, under "casual encounter (no strings attached)". The ad stated that this individual was looking to find someone to get together with that evening. This individual was clearly looking to hook up with someone.*
- 2) When a regular picture of me was sent, the response was "cute", showing approval.*
- 3) Kept asking what we were going to do, repeatedly, even after it had already been made very clear numerous times (go out to eat, go to a movie, play video games, even get a hotel room, since she made it clear she was interested in cuddling and not hanging out in a public place). The officer still continued to press for details about what we were going to do, making it clear that this girl wanted to make sure she was going to be getting what she wanted, a hook up or sexual contact. The officer consistently steered the conversation in this direction and showed little to no interest when the conversation was not about that.*
- 4) The officer acted like a jealous girl and asked if I was talking to other girls.*
- 5) The officer acted like the girl did not know what "hang out" meant. This was very weird and the first clear sign that this person was clearly looking for more than just hanging out, casually. This person clearly wanted to talk about hooking up.*
- 6) Made it very clear that she was not interested in hanging out in a public place by consistently refusing to come out when it involved hanging out at a public place. She made it clear that she wanted to go to a private place and was interested in cuddling. She right away agreed to come out when she felt sure there was going to be sex involved. Then she wanted to hear more about it. This confirmed what she was looking for.*
- 7) She invited herself over to my place, after I made it clear that I did not want to bring her there and suggested that we go out to eat or to a movie. She showed no interest in hanging out in a public place and*

showed great interest in wanting to come over to my place, by steering the conversation back to that and consistently refusing to come out if we were just going to hang out in a public place or do anything that did not involve sexual contact.

- 8) Showed great interest in words like "bed" and "hotel". This was very consistent with the persistence in trying to steer the conversation that way, not agreeing to come out before there was sex talk, and agreeing right away to come out only after there was sex talk (what the girl wanted to hear). The officer kept confirming that this girl was strictly interested in a hook up/sexual contact with someone she would meet on Craigslist.*
- 9) Called me babe numerous times and was treating me like a boyfriend.*
- 10) Any time I backed away, the officer made it clear that the girl wanted to continue the conversation by making comments like "I like talking to you" and asked questions like "Are you sure?" and "Would you wear protection?" Again, confirming this is what she was looking for. This person very obviously looking for a date with someone. She just wanted to first make sure that she was going to get what she wanted/was looking for.*

3. What does solicit mean to you?

Solicit is when someone talks you into doing something for them that they want from you.

4. Have you solicited prostitutes?

I have never tried to talk anyone into having sex with me. I don't hit on girls in person. I was looking for someone who was putting themselves out there and looking for the same thing. I was looking for a mutual agreement with someone because I was looking for that experience. I really believed this was the best way to get it, from someone who was putting themselves out there and looking for the same thing.

5. Why are you guilty?

- 1) Because I continued to talk to this person after she told me her age, and I believed this was really her age. This was a real surprise to me. I didn't*

even think about doing the right thing at that time, reporting her, or at the very least stop talking to her. I was foolish to really believe that she would just move on to the next person, putting herself at great risk. I really believed that she would be better off hanging out with me.

2) Because I gave in and talked about having sex with her.

3) Because I showed up to meet her after telling her we were going to get a hotel room and talked to her about having sex.

6. Why did you masturbate after the chat?

It's what I do on a regular basis in the shower. I took a shower before I went out. I told the officer that my thoughts were more clear after I had masturbated.

7. Did you touch your cousin's breast?

No, this story was made up because the officer would absolutely not accept the real truth about me not ever having had any sexual contact with a minor. He was angry and this is the only thing that made him happy. I said I touched her shoulder. He changed it to touching her breast. I went along with it because I realized this is what finally made him happy. We have this interview on video to prove this.

I really believed they would talk to my cousin and find out that none of this is true, but they never even talked to her about any of this.

8. Did you believe that this person was 13?

She told me she was 14 at first. Then she said she was 13.

I thought she was just being technical and was maybe just a few hours away from turning 14.

I was surprised that someone this age would be looking for a date on craigslist.
